Shia and Shiaism

In the name of Allah, Most Gracious, Most Merciful

Assalaamu `alaykum waRahmatullahi Wabarakatuh

There are many different sects amongst the Shias.

Some sects (like the Tafdheelis) are considered as Muslims as they differ only on the issue of khilafa i.e. they deem Ali (R.A) more deserving to be a leader than Abu Bakr (R.A).

They also revere and honour all the Sahabah. (Khairul fatawa 1/374 Shirkat printing press, Kifaayatul mufti 1/289 Darul ishaat)

However the majority of present-day Shias (Ithna ashra/Jafaries/Imamiyyias) hold such beliefs which render them out of the fold of Islam.

The following beliefs of theirs are recorded in the works of their very own Ulama….

THE QURAAN HAS BEEN DISTORTED

(Note-We, unfortunately, do not have many Shia Kitaabs at our disposal. Therefore, we have quoted verbatim the exact texts of only those books which are at our disposal. As for those books which we do not possess, we have sufficed with the meanings alone. These quotes were mainly taken from Ahsan al fataawa, Khumaini aur ithna ashra and Irshad as Shia and other reliable kitabs. Some were also taken from the sites of reliable Ulama on the internet.)

((In every era all the Imamiyyas believed that the Quraan has been changed; added to it was not of it, much has been increased and decreased.)) (Al-Fasl 2/187)

((If I were to explain to you all that has been obliterated, distorted and changed, there will be much length, and such things will became apparent which taqiyyah forbids to make apparent.)) (Ihtijaj Tabary 378, Dar an Numan, An Najf)

Madrassah Inaamiyyah – http://www.al-inaam.com/
Verily all our companions agree on the authenticity of those ‘mustafeedh’ infact ‘mutwatir’ narrations which denotes emphatically on the interpolation of the Quraan) (Fasl al khitaab 31 Makhtut)

((Verily the original Quran which Jibraeel (A.S) brought to Muhammad (sallallahu alayhi wasallam) contained 17000 verses)) (Usool al kafi 671, Lucknow)

The present Quran contains 6236 verses. Therefore the implication of the above mentioned statement is that two thirds of the original Quran is missing.

((Verily the Quran cannot be a proof except with a ‘Qayyim’ Imam)) (Al Kaafy 1/169, Dar al kutub al Islamiyyah, Tehran)

Their books suggest that there are more than two thousand (concocted shia) narrations which denotes upon distortion of the Quran.

((… And (the verses which were distorted) are quite a large number, that As sayyid Nimatullah Al Jazaa’iri remarked: “Verily the narrations which denotes upon (the distortion) exceeds two thousand reports”)) (Fasl al khitaab 251, Makhtut)

Refer to Usool kafi 260-275. Numerous verses are cited, which according to Shias, has been altered. A full version of this book in Arabic could be found on the following link http://www.14masom.com/hdeath_sh/.
In fact the entire kitab ‘fasl al khitaab’ was written only to prove the distortions of the Quran. The ‘makhtut’ (original manuscript) which is in our possession contains close to 400 pages. A perusal of this *magnum opus* can leave no doubt in ones mind that the Shia religion fundamentally maintains the theory of alterations in the Quran, which is, also, supported by thousands of sayings of the Innocent Imams. (Below we have discussed this books authority)

Here follows just two examples from Fasl al khitaab which Shias believe to be omitted from our Quran.

*Image of Tabrassi book, ‘FASL AL KHITAAB’*

(The following is an image of ‘Surah Wilaayah’ which Allama Noori Tabresi, the Shi’i authority mentions in this book, Faslul Khitab. This book has been written in Persian and was printed several times in Iran. This chapter (Surat-ul-Wilaayah) was also quoted by the famous orientalist, Noeldeke in his book ‘History of the Copies of the Qur’an’. He reproduced it on the authority of another famous book of the Shias, ‘Dabistaan e Madhahib’. A great Jurist of Egypt, Muhammad Ali Saudi, found a manuscript of this Surah in Iran by the well known orientalist, Mr Brown. It also appeared in the Asian-French Newspaper in 1842 C.E)
In the name of the Allah, the most gracious, the most merciful

1 Oh you who believe, Bring faith in the prophet and the wali (patron) (Ali Bin Abi Talib), both of whom we sent, they will guide you to the strait path.
2 A prophets and a patron "belonging to" each other, and I am the all knowing, the all aware.
3 Verily those who fulfill God's covenant for them are comforting paradises.
4 And those upon whom if our verse are read, they disbelieve.

5 For them there is an enormous place in hell,
6 when it is proclaimed on the day of judgement: “Where are the oppressers, the rejecters of the messengers?
7 The messengers didn’t leave them except with the truth, and Allah will not permit them to be successful till a short time.
8 And hymn the praises of your lord whilst thanking him, and verily Ali from the witnesses.
سورة النورين

يا أيها الذين آمنوا آمنوا بالنورين. أنزلهما يتنوان عليكم
آيات ويحذّراتكم عذاب يوم عظيم. نوران بعضهما من
بعض وأنا السميع العليم. إن الذين يوفون بعهد الله ورسوله في
آيات لهم جنات النعيم. والذين كفروا من بعد ما آمنوا بنقضهم
ميثاقهم وما عاهدوا الرسول عليه يُذَقُّون في الجحيم. ظلموا
أنفسهم وعصوا ولي الرسول، أولئك يسقون من حريم. إن الله
الذي نور السماوات والأرض بما شاء، واصطفى من الملائكة
والرسل، وجعل من المؤمنين أولئك من خلقه، يفعل الله ما
يشاء. لا إله إلا هو الرحمن الرحيم. قد مكر الذين من قبلهم
رسلهم فأخذتهم بمكروي، إن أخذ شديد أليم. يا أيها الرسول
بلغ إنذاري فسوف يعلمون. مثل الذين يوفون بهدك إني جزيتهم
جنات النعيم. وأن عليًا لمن المتقين. ولقد أرسلنا موسى وهارون
بما استخلف فيغوا هارون قصر جميل. فاصبر فسوف يبلون.
ولقد آتيناك الحكم كاذنين من قبلك من المرسلين، وجعلنا لك
منهم وصياً لعلهم يرجعون. إن عليًا قانتاً بالليل ساجداً يحذر
الآخرة ويرجو رحمة ربه. فل هل يستوي الذين ظلموا وهم
بعذابي يعلمون

"Oh you who believe, believe in the two lights. He has revealed them unto you, warning you against the torture of the Great Day -- two lights emanating from one another, for I am the All-Hearing and the All-Knowing. Truly those who fulfill Allah's pledge and his Apostle's verses shall be rewarded with Paradise.

Those who disbelieve by breaking their covenant and what they have pledged to do before the Apostle shall be thrown into hell, for they did injustice to themselves and disobeyed the supporter of the Apostle. Therefore, they shall be caused to drink from the Hamim River in hell.

Truly Allah is the light of heaven and the earth as he wills, and he has chosen his angels and apostles and made believers of those whom he created.

All do whatever he wills. There is no god but him -- the Merciful and the Compassionate.

Those who came before them cheated their apostles, and so I have stricken them with my cunningness vehemently and painfully.

O Apostle! Preach my admonition, for they shall know.

Those who fulfill their pledge to you are likened to me to be rewarded by Paradise. Truly Ali is one of the pious. We have sent Moses and Aaron, being appointed his successor, yet they disobeyed Aaron.

Be of good patience! They will become old. We have given you judgment, just as we did to other apostles before you. We have appointed a guardian to you from them, that they might return.

Truly Ali is devout, lying prostrate at night, warning as regards the Last Day, and hoping for the mercy of his Lord.

Say: "Should those who act unjustly be treated equally, while they know my torture?"

*Status of ‘FASL AL KHITAAB’*

Madrassah Inaamiyyah – http://www.al-inaam.com/
We have found numerous Shia kitabs and websites of claims that they disown the book ‘Fasl al khitaab.’ However, this is all based on taqiyyah. Sheikh Mohiuddeen writes: “Although the Shias pretended to disown At-Tabrasi’s book, as an act of taqiyyah, the glaring fact that it includes hundreds of quotations from the recognized works of their scholars clearly confirms their adherence to the tenet of alteration in the Qur’an. Of course, they do not want a clamor to be raised over this perverse article of faith of theirs.” (Al Khutut al areedha)

When the Shias raised objections to this kitab during the life of the author, Allamah Tabrasi, he wrote a reply entitled ‘Raddush shubhat an Fasl al khitab fi ithbati tahrif Kitab Rabbil arbab’. These two books (original and reply), really, have left no room for the Shias to deny the belief of the distortion of the Quran.

Also, the author of this kitab attained such a high rank amongst Shias that he was given place to be buried in the ‘Mashad Murtazawi’ (tomb of Ali (R.A) at Najaf). According to Shias, this is considered to be the holiest place on the face of this earth. Only those Scholars are buried here who are unanimously accepted by all Shias. Khoemani was also aware of ‘Fasl al khitaab’. Yet he paid glowing tributes to the author in his ‘Al Hukumat al Islamiyyah’. (Khomeni, Iranian revolution 171) Had the Shias truly disowned his book and beliefs, they would also regard him as a disbeliever. On the contrary, they hold him in high esteem and regard him as a great scholar.

Finally, even if we do accept their rejection of this kitab, what answer will they give to the narrations of Usool al kafi etc? Shias believe “Usool Al-Kafi is the oldest, greatest, best and the most accurate book”. (The book of Al Muraja’aat, Muraj’ah number 110)

THE SAHABAH TURNED APOSTATES

Shias curse and insult the closest companions of Nabi (sallallahu alayhi wasallam), Abu Bakr (R.A) and Umar (R.A).

((By the oath of my life! They two (Abu bakr and Umar (R.A) became hypocrites, rejected the speech of Allah and scoffed the Messenger of Allah (sallallahu alayhi wasallam). They are both disbelievers. May the curse of Allah, his Angels and the entire mankind be upon them)) (Kitab Ar Raudha 62)

((These were such that no particle of faith remained in them)) (Al Kafi 1/420, Dar al kutub al Islamiyyah, Tehran)

In fact, Shias regard all the Sahabah with the exception of three as apostates. This belief has caused them to reject many verses of the Quran and authentic traditions.

((People turned apostates after Nabi (sallallahu alayhi wasallam) with the exception of three”) I enquired about the three. He responded: “Miqdad bin Aswad, Abu Dhar Al Ghifary and Salman Farsi (may Allah's mercy and blessings be upon them)) (Al Kafi 8/345, Dar Al Kutub Al Islamiyyah, Tehran, Bihar al Anwaar 22/333, Mu’assassah al wafa, Beirut)

Allah Taala has praised the Sahabah in numerous verses of the Quran. Just to mention one, Allah says

فَالْدِينَ هَاجَرُوا وَأَخْرِجُوا مِنْ دِيَارِهِمْ وَأَوْدُوا فِي سَيِّبِي وَقَالُوا وَقَلُوا لَا كُفُّرُنَّ عَنْهُمْ سَيِّبَانَهُمْ وَلَا ذَكْرَانَهُمْ جَنَّاتٌ
تَجْرَى مِنْ تَحْيَا الَّذِينَ أُذْهَبُوا مِنْ عَنْدِ اللَّهِ وَلِلَّهِ عَنْدَهُ حَسَنَ الْغُرَّابِ

((So those who emigrated and were driven out of their homes, who suffered in My cause, who fight and were slain - (will most certainly blot out from them their iniquities, and admit them into gardens beneath which rivers flow. A reward from Allah; and with Allah is the best of ‘reward’) (Surah Aal-`Imran: 19.5)

In this ayah Allah extols the Muhajirin and gives them the glad tidings of Jannah. He notifies us that in return for the persecutions and hardships which they so gladly undertook for His sake, and for the sacrifices which they were so eager to make, Allahs will not only admit them into Jannah, but He will even condone their shortcomings.

THE UMMHATUL MUMINEEN WERE RESPONSIBLE FOR THE DEMISE OF NABI (SALLALLAHU ALAYHI WASALLAM) AND WERE ALSO INFIDELS

The Shias exceed all bounds when it comes to the Mothers of the Believers. They accuse the Prophet’s noble consorts, Aisha and Hafsa (R.A) of the most contemptible actions. These Shias indict Umm al-Mu’mineen Aisha and Hafsa of murdering Nabi (sallallahu alayhi wasallam) and accuse them of turning renegades. Look at these narrations...

Madrassah Inaamiyyah – http://www.al-inaam.com/
Imam Baqir says (This is a false accusation against him):
“Ayesha and Hafsa martyred the Prophet by giving him poison” (Hayatul Quloob 2/870)

“Thus, these two male hypocrites (referring to Abu Bakr and Umar) and those two female hypocrites (referring to Ayesha and Hafsa) agreed to martyr Rasullah by giving poison to him” (ibid 2/745)

“Ayesha was an infidel woman.” (ibid, 2/ 726)

“Imam Mehdi will punish Ayesha with strips.” (ibid, 2/ 901)

We hold the noble wives of Nabi (sallallahu alayhi wasallam) in great esteem and regard them as our own mothers. Allah Taala says

وأَزْوَاجَهُ أُمَيَّاهُمُّ

((….And his wives are their mothers)) (Al Ahzaab 6)

From the above you will notice how the Shias denigrated the integrity of every person who had contact with Nabi (sallallahu alayhi wasallam). You may conclude what they are indicating towards in the personality of Nabi (sallallahu alayhi wasallam).

THEIR KALIMAH AND AZAN IS DIFFERENT

Furthermore, the kalimah of the Shias differ with our Kalimah. (Shia mazhab haq he, 2/51, Tohfa namaz Ja’fariyah, 10)

Here is their version of the Kalimah

((There is no deity besides Allah, Muhammad is the messenger of Allah, Ali is the ‘wali’ of Allah, Khumaini is the ‘hujjah’ of Allah)) (Wahdat Islaami, 4)
They also add in the Azan after the Shahadah: (Practical Laws of Islam by Ayatullah Khumaini, Islamic Laws by Ayatullah Sistani))

"اشهد ان عليا ولي الله"

The proofs and fatawaa of shi’i Scholars regarding the desirability of this addition could be found on the following shia links
http://www.raooofonline.com/index.php?T=3&id=20 ,

They have fabricated the following hadith to support their view

((The Prophet (sallallahu alayhi wasallam) ordered Abu Dhar on the day of Ghadeer to give Azaan and ordered him to say ‘Ali is the wali’. Some companions objected. Nabi (sallallahu alayhi wasallam) said: “There is nothing for us (without Ali).”)(Sharaa’i al islam, 60, Beirut)

Although the scholars of the mentioned links claim its only preferable to add this shahadah, the following Shia scholars deemed this addition as compulsory

Sheikh Abdul-Nabi al-Iraqi in "Risalat al-Hidayah"
Sayid Waheed al-Bahbahani in "Risalat al-Hidayah"
Sheikh Muhammad Taqi al-Majlisi in "Rawdhatul-Muttaqeen"
Sheikh Muhammad Ridha al-Najafi in "Sirr al-Imaan"
Sayid Mirza Ibrahim al-Istahbanati in "Sirr al-Imaan"
Sheikh Muhammad Hasan al-Najafi (author of al-Jawahir) in "Sirr al-Imaan"
Sayid Ali Madad al-Qa’ini in "Sirr al-Imaan"

Shias also add the following after hayya alal falah,

This is how they altered one of our greatest signs.

**THEIR ‘IMAMS’ ARE GREATER THAN THE PROPHETS AND ANGELS**

Another blasphemous belief of the Shias is that they regard their ‘Imams’ to be even greater than the prophets and angels. This implies that Sunnis, who do not believe in Imamate, are unbelievers.

Madrassah Inaamiyyah – http://www.al-inaam.com/
((An integral action in our religion is that our ‘Imams’ are on such a level which cannot be attained by close Angel nor by the prophets that were sent)) (Al Hukoomah Al Islamiyyah 52, Tehran)

According to their beliefs, Allah had chosen twelve men to succeed Nabi (Sall Allah alayhi wasallam). The Twelfth Imam however disappeared at the age of five. He is believed to be the awaited Mahdi.

**THEY BELIEF ALLAH IS AT TIMES IGNORANT (BADAÀ)**

Similarly, an essential part of their faith is the belief of ‘badaa’ which is to belief that Allah Taala was ignorant of something and later he becomes aware of it. Shias regard this belief as one of the greatest acts of worship.

(Al Kafi 1/146, Dar Al Kutub Al Islamiyyah, Tehran, Bihar al Anwaar 4/107, Mu’assassah al wafa, Beirut)

(Allah is never worshipped with something as great as ‘badaa’)
(And with Him are the keys of all the hidden NON KNOWS THEM BUT HE, and He knows whatever there is in the land and in the sea, not a leave falls, but he knows it. There is not a grain in the darkness of the earth or anything fresh or dry, but is written in a clear record)) (Al Anaam 59)

Since this knowledge of the unseen is exclusive to Allah, we believe that even the Prophet (sallallahu alayhi wasallam) did not enjoy such a privilege. This is supported by the following verse

الله ورسوله والائمة (رسالة اعتقادية 472 طبع سر كود)

THEY PROMOTE DECEIT AND LIES (TAQIYYAH)

Shias also believe in ‘taqiyyah’ which is to conceal ones beliefs and pronounce views contrary to what one really believes. They regard this as compulsory and highly praiseworthy.

((And taqiyyah is compulsory. It is not permissible to eliminate it until the ‘Qa’im’ (Imam) emerges. Whoever abandons it before his emergence has left the religion of Allah and has opposed Allah, His Messengers and the Imams)) (Risaalah I’tiqadiyyah 471 Sarkodah)

ان تسعة أعشار الدين في النظرة ولا دين لا نظرة له (الInfrastructure ج2 ص 217, دار الكتب الإسلامية، طهران)

((Verily nine tenths of the deen is taqiyyah. There is no deen for the one who does not practice on taqiyyah)) (Al Kafi 2/217, Dar al kutub al Islamiyyah, Tehran)

قال أبو عبد الله عليه السلام سمعت أبي يقول لا والله ما على وجه الأرض شيء احبيب الى من النظرة يا حبيب

إنه من كانت له نظرة رفعه الله يا حبيب من لم تكن له نظرة وضعه الله .

((Abu Abdullah has said: “I heard my father saying: By Allah, there is nothing on the surface of this earth more beloved to Allah than taqiyya. O Habeeb, whoever practices taqiyyah, Allah will exalt him. O Habeeb, whoever discards taqiyyah, Allah will disgrace him.)) (ibid)
This practice of the Shias advocates lying, cheating, deception, hypocrisy, fraud, trickery and many other sins. It is these acts which makes it difficult for us to get along and have discussions with Shias.

**SHIAS ENCOURAGE ADULTERY AND FORNICATION (MUT’A)**

Shias practice on *Mut’ā*. Mut’a literally means “pleasure” in Arabic. In the Shia context, it refers to a ‘temporary marriage.’ They permit a man and woman to have sexual relations with entering only into a temporary wedlock in which no witnesses are required. It is purely based only on the agreement of the man and woman. Mut'a can be performed for one hour, one day, one month or whatever time limit was agreed upon by the two consenting parties. (Al-Kafi 5/449, Furul Kaaafi 2/189, Tahir-u-Wasila, 2/292) Shias regard Mut'a to be more virtues than Salaah, Fasting, and Hajj.

> قال أبو عبد الله ما من رجل تفعّم ثم أغسل إلا خلق الله من كل قطرة ت قطر منه سبعين ملكا يستغفرن له أي يوم (القيامة (برهان المتعة 50)

>((Abu Abdullah has said: “After the Mut’a, when the man and woman take Ghussul (bath), Allah (swt) creates 70 angels for every drop of water used for the ghusal. These Angels would continuously seek repentance on their behalf until the day of Qiyaamah.”)) (Burhan al mutaa pg. 50)

> قال النبي صلى الله عليه و سلم من تفعّم مرة واحدة عتق ثلاثة من النار ومن تفعّم مرتين عتق ثلاثة من النار ومن تفعّم ثلاث مرات عتق كله من النار (منهج الصادقين 256)

> “Whoever does Mut’a once, one third of him will be freed from hell. And whoever does it twice, two thirds of him will be freed from the fire. And that person who carries out Mut’a three times, he will be saved entirely from the fire of hell.” (Minhajus Sadiqeen 256)

> قال النبي صلى الله عليه و سلم من تفعّم مرة فدرجة كدرجة الحسن و من تفعّم مرتين فدرجة كدرجة الحسن ومن تفعّم ثلاث مرات فدرجة كدرجة تمام و من تفعّم أربع مرات درجه كدرجة نافع (منهج الصادقين 256)

>((Whoever carries out Mut’a once, his status will be equal to the status of Husain (R.A), and whoever does it twice, his status will be like that of Hasan’s(R.A), and that person who perpetrates it for the third time, he reaches the stage of Ali (R.A), and whoever commits it the forth time, he reaches the status of Nabi (sallallahu alayhi wasallam)) (Tafseer Minhajus Sadiqeen 256)
(Abu Jafar narrates that Nabi (sallallahu alayhi wasallam) mentioned the following experience of his night journey to the skies: “Jibraeel met me and said: O Muhammad! Allah has proclaimed: Verily I have forgiven all those women from your Ummah who engage in Mut’a.”)) (Man la yahzuruhul Faqeeh 3/150)

Shias go to the extent of legalizing Mut’a with even professional prostitutes.

Although Mut’a was practiced during jihad in the early days of Islam, it was accompanied with a host of conditions. The Mut’ah of the present day Shias is totally different. Mutah has also been abrogated and made haram till the day of judgement, and this prohibition is reported by Ali (R.A) himself. However, Shias reject all the ahadith regarding its impermissibility.

**SHIAS BELIEFS ON SUNNIS**

Many simple-minded Sunni are deceived by the Shias pretentious display of ‘desiring to overcome our differences and reach a common understanding’. However, in reality Shias neither want such a thing nor approve of it. This is because Shias regard all Sunnis as disbelievers. The following is mentioned in their books…

“Everybody, except us Shi’ites, is illegitimate.” (Furoo’u Kafi in Kitabul Raudah: 135)

“It is Kufr to doubt the infidelity (Kufr) of Hazrat Umar.” (Jila-ul-Uyoun, Page No. 63)

“That person who denies that Ali is the first Caliph is an infidel.” (Anwaar-e-Naumania, Vol. No. 3, Page No. 264)

“The most dirty and polluted left over water is that of a sunni.” (Manlaa Yahzuruldul Faqih 1/8)

**MISCELLANEOUS**

Listed below are just a few more of their heretic views:

1. “No one has total knowledge of Holy Quran except the Imams.” (Usool Kaafi, 1/228)
2. “Pakistan was mentioned in the Original Holy Quran, the present Quran is void of meaning.” (Hazarat Tumhari Das Hamari, 554)
3. Ali says…..“I am the first and I am the last. I am the manifest and I am the hidden and I am the heir of earth.” (Rijaal Kashsi, 138. India Print.) This is a false allegation.
4. “Shaitan was the first to swear the oath of allegiance to Abu Bakr in the mosque.” (Israr-e-Muhammad, 30)
5. “Neither we accept such a lord nor do we approve the prophet of such a lord whose Khalif is Abu Bakr.” (Anwaar ul Numaniyah, 2/278- Iran)
6. Muhammad (s.a.w.w) and his descendants are omnipresent and omniscient. (Na’uzubillah). (Jila-ul-U’yoon, 2/85- Lahore)
7. “The Qur’an has been consumed by God.” (Kitab-ul-Brhan Fee Tafseer-ul-Quran, 38)
8. “Angels bring wahi to the Imams every Friday and they also go for Mi’raj.” (Usool-e-Kaafi, 135, 155)
10. The leader of the Iranian revolution, Imam Khomeini writes: “Every prophet came to establish justice on Earth. The same is the position of the Seal of the Prophets who came to reform human society and establish justice but he failed during his lifetime.” (Itthiadh wa-yak-jihati:15)
11. “The Imams possess all the knowledge granted to angels, prophets and messengers” (Al-Kulaini, Al-kaafi, p.255.)
12. “The Imams have knowledge of whatever occurred in the past and whatever will happen in the future, and nothing is concealed from them” (Ibid, 260.)
13. “I asked Jafar Sadiq whether the earth can exist without an Imam. He replied: “If the earth is left without an Imam it will sink,” (Usool al kafi 294)
14. “Ali will come back to life.” [Hayatul Quloob (urdutranslation), 1/ 204]
15. They also belief that neither was Nabi (sallallahu alayhi wasallam) nor was Fatimah (R.A) happy with the birth of Husain (R.A). Husain (R.A) perceived this as a child and refused to suckle from his mother, Fatimah (R.A) (Usool al kafi 294)
16. Khoemeini writes: “TAHREEF (deliberate alteration of words to change the meaning of the holy books, viz the Bible, etc.) is that fault which Muslims accuse Jews and Christians of indulging in, but its proven to be found in the Ashaabs (of Rasoolullah - sallal laahu alaihi wasallam).” (Kashful Asrar, 114)

After learning the above mentioned beliefs of the Shias, one can have absolutely no doubt of their disbelief. That is why Shah Abdul Azeez Muhaddisth Dehlwi said that those who do not declare Shias as kafirs, are definitely unaware of their beliefs. (Faizul Bari Sharah Bukhari, 1/120).

This book was overseen by Moulana

10. Dr Hilaalee, The famous Moroccan scholar, wrote a pamphlet on Shias in which he declared them disbelievers.

These are the views of non Shia scholars on the Shias. Now look at what the Shias very own scholars had to say…

قال ابو عبدالله عليه السلام ما انزل الله آية في المناققين الا و هي في من يتحلل التشيع (رجال كشى 193 س6)

((Abu Abdullah stated: Allah has not revealed a verse regarding hypocrites, except that they fit aptly those who attribute to Shi’ism)) (Rijaal kashi 16/193)

قال ابو الحسن لو ميزت شيعي ما وحدهم الا واصة ولو امتحنتهم لما وجدتهم الا مرتدين (رودة كتبى 107)

((Abul Hasan said: “If you distinguish my Shias, you will find them to be fabricators, and if you test them you’ll find to be renegades)) (Rauza Kulaini 107)

**TEXTS FROM RELIABLE FATAWAA KITABS**
وهذا يظهر أن الراضي إن كان من يعتقد الألوهية في علٍ، أو أن جربيل غلط في الوحي، أو كان ينكر صحة الصديق، أو يقذف السيدة الصديقة فهو كافر لمخالفته القواعظ المعروفة من الدين بالضرورة، خلاف ما إذا كان يفضل علية أو يسب الصحابة فإنه مبتدع لا كافر كما أوضحه في كتابه تنبيه الولاء والحكام عامة أحكام.

رد المختار - (ج 4 / ص 69 السعيد)

(قوله يا رافضي) قال في البحر: ولا يخفى أن قوله يا رافضي مدخلة يا كافر أو يا مبتدع فيعزر؛ لأن الراضي كافر إن كان ينسب الشيخين مبتدع إن فضل علية عليهما من غير سب كما في الخلافة.

رد المختار - (ج 4 / ص 237 السعيد)

أقول: نعم تقل في الرازي عن الخلافة أن الراضي إذا كان ينسب الشيخين ويعنهم فهم كافر، وإن كان يفضل علية عليهما فهو مبتدع.

فتح القدر - (ج 1 / ص 304 المكتبة الرشيدية)

وفي الرازي أن من فضل علية على الثلاثة فمبتدع، وإن أنكر خلافة الصديق أو عمر رضي الله عنهما فهو كافر.

 البحر الراقي شرح كذر الدقائق - (ج 1 / ص 349 رشيدية)

والراضي إن فضل علية على غيره فهو مبتدع، وإن أنكر خلافة الصديق فهو كافر.

البحر الراقي شرح كذر الدقائق - (ج 5 / ص 44 رشيدية)

ولا يخفى أن قوله ويا رافضي مدخلة يا كافر أو يا مبتدع فيعزر؛ لأن الراضي كافر إن كان ينسب الشيخين ومبتدع إن فضل علية عليهما من غير سب كما في الخلافة وسبأيت في باب الردة إن شاء الله تعالى.

البحر الراقي شرح كذر الدقائق - (ج 5 / ص 266 رشيدية)

الثانية الردة بسب الشيخين أي ينكر وعبر رضي الله عنهما وقد صرح في الخلافة والرازي بأنه الراضي إذا سب الشيخين وطبع فيهما كفر وإن فضل علية عليهما فمبتدع ولم يتكملما على عدم قول تبنته وفي الجوهارة من سب الشيخين أو طعن فيهما كفر وجب قلته ثم إن رفع وثاب وحدد الإسلام هل تقبل تبوتنا أم لا قال الصدر الشهيد لا تقبل تبوتنا وإسلامه وقتله وبه أحد الفقهاء أي الليث السمرقندي وأبو نصر الدبشي وهو المختار للفنوس.

CONCLUSION

In light of all the above, it is apparent that the vast majority of present-day Shia’s are not Muslims. If the person in question ascribes to any of these heretic views, nikaah
will NOT be permissible with him. (Imadul Ahkaam 2/213 Maktabah Daul uloom Karachi, Khairul fatawa 1/374 Shirkat printing press, Kifaayatul Mufti 1/289 Darul ishaat, Bahishti zewar kitab an nikah) In fact, the Shia kitabs show that it’s not permissible for Shias to marry sunnis, as they regard sunnis as disbelievers. “It is not permissible to marry a sunni because they are Kaafirs” (Tahdhidul Akaam, Manlaa Yahzurulul Faqih 3/258.)

If this person claims to be from the Tafdeelis (The group that are considered as Muslims), then too extreme precaution should be exercised. There is the possibility he will conceal his real beliefs and practice on taqiyyah. (Kifaayatul mufti 1/289-290 Darul ishaat) Also keep in mind the Shia practice of mutah (temporary marriage).

Bear in mind that even though it is permissible to marry the tafdeelis it is highly discouraged. (ibid) Marriage is a lifetime affair; therefore, you exercise extreme precaution. Whoever gives up something for the sake of Allaah, Allaah will compensate him with something better. We ask Allaah to make you strong and grant you a good life in this world and in the Hereafter.

And Allah knows best
